    - JavaScript
    - Visual Studio.Net
    - Crystal Reports
    - SQL, IIS and other technologies.

**Background:**

Founded in 1930, Johnson & Johnson, Inc., Mgrs., is a full service Managing General Agency. We are a professional organization committed to servicing the insurance needs of the independent agent. Through our partnership with our Companies, we are committed to our goal of providing the Independent Agent with the highest level of customer service while we help them service the needs of their insureds. J&J provides services to Agents in North Carolina, South Carolina, and Georgia. Our product lines include Personal Lines, Commercial Lines, and Premium Financing. Supported by a staff of professional underwriters, each production department offers markets which are tailored to the specific needs of the Independent Agent. The J&J values provide a framework for the development of professional employees in an ethical environment. Johnson & Johnson is a Certified Managing General Agency (CMGA) which is a designation given by AAMGA to MGA's which meet the required criteria for a commitment to employee education. This designation has been given to only 22 of the 500+ MGA's in the US.

**Location:** Charleston, South Carolina

Nestled on the coast of South Carolina, Charleston offers the opportunity to enjoy an array of exciting recreational activities, cultural events, tour the halls of history, experience unique wildlife, as well as relax and enjoy the southern hospitality Charleston is known for. Our Internship program includes extra curricular activities and opportunities that will help you know what everyone else who visits Charleston knows - it's a place you would love to live.

**Application Deadline:** February 28th - please forward your resume to [humanresources@jjins.com](mailto:humanresources@jjins.com).
