

Johnson & Johnson

The Experience of the Past with a Vision for the Future

Position Type: *Summer Internship*

Intern Compensation: Weekly Stipend and Lodging

Intern Type: Undergraduate - Risk Management & Insurance Majors only

Intern Qualifications: Full time students, a junior or senior, enrolled in RM&I in good academic standing. Successful applicants must have a sincere interest in the insurance industry.

Core Courses: Principles of Risk Management & Insurance, Commercial Insurance, Personal Insurance, Insurance Law

Description:

- Interns will be placed within one of the three operational areas of the organization: Standard Commercial, Excess and Surplus Commercial, or Personal Specialty Lines.
- Each intern will be given the opportunity to gain knowledge of various products from top rated companies
- Obtain hands on experience with information technology and standard operating procedures specific to a Managing General Agent
- Gain exposure to building relationships with independent agents within the North Carolina, South Carolina, and Georgia markets
- An introduction to various creative marketing techniques specific to the wholesale insurance industry.

Location: Charleston, South Carolina

Nestled on the coast of South Carolina, Charleston offers the opportunity to enjoy an array of exciting recreational activities, cultural events, tour the halls of history, experience unique wildlife, as well as relax and enjoy the southern hospitality Charleston is known for. Our Internship program includes extra curricular activities and opportunities that will help you know what everyone else who visits Charleston knows - it's a place you would love to live.

Application Deadline: March 1st (for Summer 2010 program) Apply via e-mail to kcw@jjins.com
